## EXPERIENCE

### Volunteer

#### Addiscombe

04/2021 - 06/2022 Addiscombe, Greater London

- I helped organise and better the day to day working of the charity shop as my pro-activity and creative ideas helped create a better experience for customers
- Accurately followed written and verbal instructions to complete assigned tasks efficiently

### TATA CONSULTANCY SERVICES

#### Redhill

07/2024 - 07/2024 Location

- During my working period at TCS, I have had an opportunity to work on a high-impact project in designing a mobile application for addressing financial inequalities.
- The idea was the generation of an easy and accessible platform that could help underserved communities in financial management, improving financial literacy and encouraging access to basic banking services.
- Working together with senior professionals from diverse backgrounds really gave me invaluable insights into agile development practices, UI/UX design, and the integration of financial technologies.

## SUMMARY

As a sixth-form student, I look for opportunities that would provide me with practical experience to develop my skills. Keen-eyed for detail and a passion for excellence, I am committed to producing excellent work in whatever task that I take upon myself. With strong communication, I can articulate ideas well, work with people, and adapt to different environments. With diligence, enthusiasm, and interpersonal skills, I believe that I can make positive contributions to any team or organization. Be it through internships, volunteer work, or part-time jobs.
